SIR,

With reference to your No. 312/ dated 18th December 1931 calling for a report etc on the question of disappropriation of the property still attached to the Sri Bhoganandeeswara temple in Bangalore City, I have the honor to forward correspondence ending with Bangalore Deputy Commissioner's letter No. C.33-1507/27-28 dated 14th January 1933 and to state that there are two strong arguments against the disposal of all the Dharmadarsis of this institution, namely, number of cases between complaints and counter complaints. The appointment of Mukhtiar Saheb who is one of the Dharmadarsis is to the credit of the other party who collect such amounts and do not credit them to the temple funds.

2. The Deputy Commissioner reports that the question of hereditary devolution cannot be enforced as a matter of right in the temple and that those who offer their own free will presented receipts for such payments by the Dharmadarsis, the amounts to the temple funds once a year. The yearly collections

SIR,

Affairs of Sri Dharmarayaswami Temple, Ulsoorpet, Bangalore City.

Adverting to Financial Secretary's Memo No.1066/Muz.323-29-9 dated 13-5-1932 and letter No.1413/Muz. dated 7-4-1933 re: the above, I have the honor to forward herewith copies of letters Nos.33-4501/27-28 dated 23-7-1934 and 33-5486/33-34 dated 8-9-1934 from the Deputy Commissioner, Bangalore District, together with the connected records furnishing information on the points raised in the above communications.

2. As regards the sources of revenue on ordinary days and on special festive occasions, the several items of revenue and the estimated receipts under each head are given in the statement accompanying the scale proposed by the Deputy Commissioner in connection with the Dharmadarsis. The control over the temple receipts & its custody is not now of active and there are reasons to believe that all the amounts realised are not credited to the accounts of the institution. It is with a view to remedy these defects that it is now proposed to appoint a whole-time paid servant who will be held responsible for local minor properties that are gifted to the temple from time to time, for counting the golaks in the presence of the dharmadarsis, for maintaining necessary accounts, and for the proper transfer of charge of the properties when there is a change of archakship every year.

3. On receipt of Government orders approving of the arrangement as outlined above, the scale will be scrutinised and sanctioned by me.

I have the honor to be,

Sir,

Your most obedient servant,

Kuzrai Commissioner.

Letter No.C3-4301/27-28 dated 23-7-34 from the Deputy Commissioner, alore District, to the Muzrai Commissioner in Mysore.

With reference to your Memo No.1094/27-28 dated the 17th April 1934 calling for further report in the matter of making satisfact ry arrangements for accounting for all moneys received in the temple of Sri Dharmarayaswami, Ulsoorpet, Bangalore City, and their credit to the institution funds in the Treasury without delay, I have the honor to state that this question was considered by the Dharmadarsis of the temple at their meeting held on the 3th June 1934 and that they resolved that a parpathegar on a salary of Rs 15/- to Rs 20/- per mensem may be employed in the temple for collecting kappa and kanike of the temple, for looking after the property of the temple and for attending to the writing up of the accounts etc., of the temple. They have also resolved that it is desirable to have a full time watchman of the premises on a salary of Rs 5/- per mensem so that he may not only look after the cleansing of the temple ~~Dharmadarsis~~ premises, but also watch the properties of the temple. The Dharmadarsis are further of opinion that in the first instance the appointment of parpathegar may be for a year and the salary may be fixed at Rs 15/-.

At present, owing to factions among the devotees and even among the Dharmadarsis of the temple no satisfactory arrangements have been possible for looking after properties that come into the temple from time to time and for the proper transfer of charge of the properties when there is a change of archakship every year. Further, such of the Dharmadarsis as have been authorised to collect kappa and kanike have not been remitting the contributions received promptly. The appointment of a parpathegar who would not belong to either party will avoid the above inconveniences. The Dharmadarsis who collect the contributions will in future, make over these collections immediately to the parpathegar whose duty it will be to have amounts credited to temple funds. As the parpathegar would be available at the temple for a major portion of the day throughout the year, such of the devotees as are willing to make a contribution but may not be prepared to pay them into the hands of the Dharmadarsis could make the payments of the parpathegar himself. The parepathegar could also attend to various other matters connected with the temple and to the maintenance of accounts of the temple. With the appointment of a full time watchman it will also be possible to exhibit the golka in the temple throughout the day so that devotees may drop their offerings in the golka. The golka may be cleared once in a week by the parpathegar in the presence of the Dharmadarsis or

amounts that will have been collected therein can be remitted to the Treasury to the credit of the institution.

The connected records received from the Sub Division Officer accompany for reference.
